Mrs. Helen Ladd Corbett
President of Board
Peoples Institute and
Portland Free Dispensary
Portland, Oregon

My dear Mrs. Corbett,

It is with much regret
that I tender my resignation as a
member of your Board.
In the condition of my health I am
not able to be of any real service and
I feel it is only right that my place
should be filled.

It has been a privilege and pleasure,
I shall never forget to have served with
you and your Board, in the splendid
work of your Organization and with very
good wish for prosperity in the future, I am
Yours sincerely
Henrietta Bailey.
