

Permission for Electronic Publication of Thesis/Dissertation/Project/Capstone

I certify that, if appropriate, I have obtained and attached a written permission statement from the owner(s) of each third party copyrighted matter to be included in my thesis, dissertation, or project report (hereafter referred to as "work"). I certify that the version I submitted is the same as that approved by my advisory committee.

I grant to OHSU and its agents the non-exclusive license to archive and make accessible my work in whole or in part in all forms of media, now or hereafter known. I retain all ownership rights to the copyright of the work. I also retain the right to use all or part of this work in future works (such as articles or books).

Title: POSTPARTUM WEIGHT RETENTION AMONG MOTHERS OF CHILDREN WITH SPECIAL HEALTH CARE NEEDS

I select the following option for electronic publishing:

- Open access: My work will be made available for worldwide access immediately.
Delayed or Secured release: My work will be made available for worldwide access after 3 years. (Reasons for this may include waiting for publication of sections of the thesis, waiting for patent applications to process or for other valid reasons which would be determined by your thesis advisor.)

Name (print) LAUREL MURPHY HOFFMANN Date: 1.2.2014

Signature Laurel M Hoffmann

Please note: The options below require signature approval from your advisor

- Partial release: My work will be made available for worldwide access immediately, with the exception of the sections listed below. This option requires your advisor's signature.

Empty rectangular box for sections to be excluded from partial release.

- No release: My work will not be made available electronically. This option requires your advisor's signature.
