TO: Dept. of Medical Social Service,  
Portland, Oregon.

I am writing a paper to be given at the National Conference of Social Work, June 14th. The topic is "Social Values Which Underlie the Selection of Cases". I am asking your cooperation in the following way. The enclosed schedule can be filled in almost entirely after reading through once, and completed by using at a staff meeting. Will you do this? I shall appreciate your help.

Will you kindly return your schedule by April 7th in the enclosed addressed stamped envelope?

Sincerely yours,

*Mary Phelps Wheeler*
