

July 10, 1929

Michael M. Davis,  
Director for Medical Service,  
925 South Homan Avenue,  
Chicago, Illinois.

Dear Mr. Davis:

Your letter of July 2nd and the two pamphlets are just received. I appreciate most highly and wish especially to express my thanks for the letter, which so clearly and definitely states the problem we are considering.

If you have any pamphlets containing information regarding the extent and cooperative activities of your Social Service Service Department and information as to salaries paid in said departments, please send them. Also if you have anything that would be helpful in the work of the Diagnostic Index of Out-Patient Departments, not Terminology, but any information regarding the practical carrying out and possibilities of the work.

Enclosed please find check for \$1.00 in payment of pamphlets already received.

Very sincerely yours,
