

OFFICE OF THE

BOARD OF HEALTH

PORTLAND, OREGON, March 27, 1907.

DEAR DOCTOR:

In view of the fact that a malignant form of meningitis exists at various points in the State of Washington,--

The Board of Health requests that you immediately report to this office any case of spinal meningitis or cerebro spinal meningitis, that may come under your care, so that precautionary measures may be taken to prevent, if possible, the spread of this disease.

Respectfully,

C. H. WHEELER,

Health Officer
