use of Forc Dispensary or Clinic

Maintenance for same promised by Cooperating  
Agencies.

Refers Institute to Forc Dispensary  
 Merge with Medical School Jan 1. 1931  
 Forc Dispensary moves into new  
 building Feb. 1. 1931

People who instigated the thought  
of free medical care as a part of the  
work of Peoples Institute — were  
about { Mrs Noble Wiley Jones  
1905 { Mr Edna Jimms  
{ Mr Gertrude French  
Mr Jimms & Mr French lived in rooms  
adjoining Miss Pritchard at the  
Hobart-Curtis (now used by Jeanne  
d'Arc) they told Miss Pritchard

ing up, first two

de.

0 minutes.

15 minutes.

10 minute walk both  
wheelchair. All exercise  
ward.

They would help when she was  
ready to start free medical work  
& this gave her the idea of what to do  
when mothers would come asking  
for employment but in no physical  
condition to work. Free medical  
work started in 1907
