November 5th., 1918.

To the City Commissioners,
Portland, Oregon.

Gentlemen:-

I wish to express to you for myself and on behalf of the Board of Directors of the Portland Free Dispensary, our sincere thanks for the appropriation of Twenty-five dollars(\$25.00), per month which you have made toward the salary of the Nurse in charge.

This will greatly aid us in extending the medical relief necessary at this time.

Thanking you very sincerely,

Helen Ladd Corbett
G.V.P.
