

Oregon Tuberculosis Association

1929

Copy of Letter received by Dr. Dillehunt.

February 14, 1929

Dr. Richard B. Dillehunt, Dean,
University of Oregon Medical School,
Marquam Hill,
Portland, Oregon.

Dear Dr. Dillehunt:

The Executive Committee of the Oregon Tuberculosis Association, in session February 13, 1929, voted to continue our support of the University of Oregon Clinic Service.

We rejoice that you have secured the appropriation from the Rockefeller Foundation which will assure you of a model clinic building, and we are happy to be one of the agencies that have guaranteed continuation of services within the clinic

Congratulating you upon your success in interesting outside capital in support of the University Medical School in all its service, we are

Sincerely yours,

(Signed) Saidie Orr Dunbar,
Executive Secretary.
