Miss Prichard,
Peoples Institute,
City.

Dear Miss Prichard:

Mr. John C. Almack, director of the extension division of the University of Oregon, Eugene, desires information regarding the Dispensary, to compile with other data in a health survey of the State of Oregon. Will you please supply him with such information as you have available, for instance, the annual report and a sample of the monthly report.

Very truly yours,

Harold B. Myers.

Assistant Dean.
