The appeal shall be taken and perfected in the following manner, and not otherwise:

(a) The party desiring to appeal from the order of such sanitary authority may cause a notice, to be signed by himself, itself or attorney, to be filed with the secretary of said sanitary authority within thirty (30) days, from the time said order may be promulgated by said sanitary authority.

(b) Within ten (10) days of the giving of such notice, or upon such further time as the court may allow, the said party to be known as the appellant shall file with the clerk of the circuit court for the proper county a transcript of the order appealed from, and so much of the record as made before said sanitary authority as may be necessary intelligently to present the questions to be decided by the circuit court, together with the notice of appeal and the record of the filing thereof; thereafter the said circuit court shall have jurisdiction of the matter. The appeal shall be heard and determined by the circuit court in a summary manner, and shall be determined as a suit in equity. Either the appellant or the sanitary authority shall be entitled upon a hearing of said appeal to present any evidence which would be competent to be considered by a court of equity in an equity proceeding, shall be entitled to the compulsory attendance of witnesses, and to the production of books and papers. If, upon the hearing the court finds, in giving consideration to the welfare of the state at large, that the order appealed from is justified, then the court shall enter a decree in affirmance of said order, which said decree shall continue in full force and effect from and after the entrance of said decree; but, if the court, upon such hearing, shall find in giving consideration to the welfare of the state at large, that the order appealed from, or any part thereof, is not justified, then the court shall enter an appropriate decree dismissing or modifying the order appealed from. The provisions of law governing cost and disbursements on appeal shall be applicable thereto. The taking of any appeal shall suspend the order until decree may have finally been entered upon such appeal. Suits or proceedings, authorized by this section, shall have precedence over any civil cause of a different nature pending before such court excepting only appeals from orders of the public utility commissioner, and the state industrial accident commission. (L. 1939, ch. 3, S 11, p. 13.)

S 116-1129. CONTROL OF STATUTE OVER INCONSISTENT LAWS. In so far as the provisions of this act are inconsistent with, or in conflict with, the provisions of any other law, the provisions of this act shall be controlling. (L. 1939, ch. 3, S 12, p. 14.)

Whenever any person is convicted of the crime of rape, incest, sodomy, contributing to the delinquency of a minor by sexual act or act of sexual perversion, or the crime against nature, or any other crime specified in section 23-910, or of attempting to commit any of said crimes, the clerk of the court shall forthwith transmit a certified copy of the record of the conviction of such person to the state board of eugenics, and the judge before whom such person was convicted may order such person to be examined by said board, and may defer sentence until it be finally determined whether an operation will be performed upon such person. It shall be the duty of the state board of eugenics to examine into the innate traits, the mental and physical conditions, the personal records and the family traits and histories of all of the persons so reported, so far as the same can be ascertained, and for this purpose said board shall have the power to subpoena witnesses, which subpoena shall be issued by said board and served in like manner and with like effect as subpoenas in criminal cases in the circuit court, and any member of said board may administer an oath to any witness whom it is desired to examine in such proceeding; and if in the judgment of a majority of said board procreation by such person would produce a child or children having an inherited tendency to feeble-mindedness, insanity, epilepsy, criminality or degeneracy, or who would probably become a social menace or ward of the state, and there is no probability that the condition of such person so investigated and examined will improve to such an extent as to avoid such consequences, then it shall be the duty of such board to make an order embodying its conclusions with reference to such

person in said respects and specifying such a type of sterilization as may be deemed by said board best suited to the condition of said person and most likely to produce the beneficial results in the respects specified in this section. (L. 1923, ch. 194, S 3, p. 280; O. C. 1930, S 68-1403.)

S 127-804. WRITTEN FINDINGS: RECORD OF: SERVICE OF COPY. Said investigation, findings and orders of said board shall be made with the purpose in view of securing a betterment of the physical, mental, neural or psychic condition of the person, or to protect society from the acts of such person, or from the menace of procreation by such person, and not in any manner as a punitive measure. (L. 1923, Ch. 194, S 5, p. 280; O. C. 1930, S 68-1405.)

S 127-806. OPERATIONS TO BE PERFORMED BY CONSENT OF PERSONS CONCERNED: (CONSENT IN CASE OF INSANE OR FEEBLE-MINDED PERSONS: PERFORMANCE OF OPERATION). If any person, whose condition has been examined and reported upon by said board, as hereinbefore provided, shall consent in writing to have the operation specified in the order of said board performed, such operation shall thereupon be performed upon said person by or under the direction of the superintendent of the institution in which he is confine, if such person be an inmate of any of the state institutions, such operation shall be performed by or under the direction of the state health officer. All such operations shall be performed with due regard for the physical condition of the person upon whom it is performed and in a safe and humane manner. If consent to the performance of such operation be not given by the proper person as provided in this chapter, such person shall have a right of appeal to the circuit court of the county in which such person resides, which appeal shall be taken within 30 days from the date a copy of such

order was served upon him, by serving a written notice of appeal upon the secretary or any member of said board of eugenics and by filing a copy of such notice and proof of such service thereof with the clerk of said court, whereupon the court will be deemed to have acquired jurisdiction, and to have control of all subsequent proceedings. Said board, through its secretary, or other officer having charge of its records and files, within 15 days thereafter, or such further time as the court or judge thereof may allow, shall file a copy of its said findings, conclusions and the order appealed from with the clerk of the said court. Thereupon said clerk shall docket said appeal, and the same shall be heard and determined by the court as soon thereafter as practicable. Upon failure to take an appeal from any order of said board in the manner and within the time therefor, as herein provided, such order shall then be deemed valid, enforceable, and conclusive upon all persons, and such order shall not thereafter be brought into question; the failure to so take such appeal shall be conclusively deemed the equivalent of consent to the performing of an operation as required by such order, as though such consent had been expressly given as herein provided. (L. 1923, ch. 194, S 7, p. 280; O. C. 1930, S 68-1407; L. 1935 (S.S.), ch. 39, S 2, p. 55.)

In all such cases the district attorney of the county where such proceedings are tried shall appear and defend on behalf of the state. If the plaintiff has no attorney and he is unable to secure one, the court shall appoint an attorney from the membership of the bar of said county to conduct his case in such court, and upon appeal to the supreme court, if any be taken as hereinafter provided, and such attorney shall be compensated by the state, upon order of the court; the circuit court shall have the testimony fully reported at the expense of the state. (L. 1923, ch. 194, S 8, p. 280; O. C. 1930, S 68-1408; L. 1935 (S.S.), ch. 39, S 3, p. 56.)

If the defendant\* be represented by an attorney appointed by the court, as hereinabove in section 127-808 provided, and, in the opinion of the court, is financially unable to meet his part of the expense of an appeal, the defendant's actual and necessary expense of such appeal and prosecution thereof to final decree by the supreme court shall be paid by the state upon order of said circuit court. (L. 1923, ch. 194, S 10, p. 280; O. C. 1930, S 68-1410.)

\* Section 8 of the act of 1923 (S 127-808) provided that the issue should be tried in the same manner as a civil action in which the "state of Oregon shall be the plaintiff and the person so summoned shall be the defendant." But the position of the parties was reversed by the amendment of 1935.

§ 127-810. EXPENSES: STATE LIABILITY. The state shall be liable, under this act, except as hereinabove provided for, only for the actual traveling expenses of the members of the board incurred in the performance of their duties, and the actual and necessary expense incident to the investigations of said board on appeal therefrom. § 127-811. (SELECTION OF PHYSICIAN TO PERFORM OPERATION: INTERFERENCE WITH RELIGIOUS PRACTICES). (L. 1923, ch. 194; L. 1929, ch. 348, § 2, p. 397; O. C. 1930, § 68-1412.)
