# OHSU Organization

## OHSU Mission

Oregon Health & Science University is the state's only comprehensive public academic health center. Its fundamental purpose is to improve the health and well-being of people in Oregon and beyond. A Board of Directors nominated by the Governor and confirmed by the Oregon Senate governs the University.

As part of its multifaceted mission, OHSU strives for excellence in education, research and scholarship, clinical practice and community service. Through its dynamic interdisciplinary environment, OHSU stimulates the spirit of inquiry, initiative and cooperation among students, faculty and staff.

Setting the example for integrity, compassion and leadership, OHSU strives to:

- Educate tomorrow's health professionals, scientists, engineers and managers in top-tier programs that prepare them for a lifetime of learning, leadership and contribution.
- Explore new basic, clinical and applied research frontiers in health and biomedical sciences, environmental and biomedical engineering and information sciences, and translate these discoveries, wherever possible, into applications in the health and commercial sectors.
- Deliver excellence in healthcare, emphasizing the creation and implementation of new knowledge and cutting-edge technologies.
- Lead and advocate for programs that improve health for all Oregonians, and extend OHSU's education, research and health care missions through community service, partnerships and outreach.

## OHSU Goals

Vision 2020, OHSU's dynamic strategic plan, supports continuous quality improvement across OHSU. The goals and strategies guide planning throughout the organization by providing a shared framework for decision-making and by enhancing the University's ability to achieve its vision:

**OHSU will partner to make Oregon a national leader in health and science innovation for the purpose of improving the health and well-being of all Oregonians and beyond.**

OHSU Vision 2020 provides a road map to help guide the University to where it wants to be in year 2020. Six goals focus the University's actions and establish its commitment to sustain excellence in all mission areas:

- Be a great organization, diverse in people and ideas.
- Develop and retain a faculty that will collaborate to drive excellence and innovation across OHSU.
- Join others in developing policy and care delivery solutions that improve access to high-quality healthcare for all, especially Oregonians.
- Help meet Oregon's health and science workforce needs through innovative education strategies.
- Align OHSU enterprises to support robust and sustainable innovation and research.
- Generate and deploy OHSU resources to sustain an environment where faculty and staff committed to top performance can excel.

# OHSU Accreditation

## Regional Accreditation

Oregon Health & Science University has received continuous regional accreditation by the Northwest Commission on Colleges and Universities (NWCCU) since 1980. OHSU is authorized to offer associate, baccalaureate, masters, professional practice doctoral and research doctoral degrees, as well as graduate certificates. The last NWCCU accreditation visit occurred in November 2015. The next required accreditation action will be the submission of a Mid-Cycle Self-Evaluation Report and site visit which will be due in the Fall of 2018.

Regional accreditation is a process of recognizing educational institutions for performance, integrity and quality that entitles them to the confidence of the educational community and general public. Institutions accredited by the NWCCU are required to examine their own missions, goals, operations and achievements. Since the institution is reviewed by NWCCU on a regular, ongoing cycle, continued self-study and improvement is necessary for OHSU to ensure compliance with accreditation standards. In order to assure NWCCU, key stakeholders and the general public that OHSU is fulfilling its mission, four core themes, along with objectives and indicators of performance, have been defined. The four core themes are:

- Learning Environment
- Interprofessional Education
- Clinical and Translational Research
- Health System and Health Policy Leadership

A table showing OHSU's performance on its core themes, objectives and indicators can be found on page 2.

## Specialized Accreditation

Specialized accreditation is a type of accreditation status that is designated for specialized academic programs within an institution of higher education that have already been awarded regional institutional accreditation. Specialized accreditation focuses on specific aspects of the program's academic field of study.

Currently, OHSU has 26 academic fields of study with specialized accreditation from 15 different specialized accrediting agencies. For a complete list of all of the accredited programs and their respective specialized accreditation agency, see the OHSU Inventory of Specialized Accreditation and Reporting Timeline Table on page 6.

**Note:** The professional exams are reported by calendar year for DMD and BS Nursing students. The professional exams are reported by academic year for MD, PharmD, and Radiation Therapy students. The National Average Data for Human Nutrition exams represent those students who passed the national registration exam on their first attempt between July 1-Dec 31 of each year. The OHSU Annual Data for Human Nutrition exams reflect the percentage of graduates who took the exam in that year - not necessarily the cohort who graduated that year. For example, the 2010 total number includes 2010 graduates, but may also include graduates from the previous year(s) who deferred taking the exam.

# GLOSSARY

# Glossary

## A

### **Academic Health Center**

Provides the classification of OHSU as an accredited, degree-granting institution of higher education that educates a wide variety of health care professionals, offers comprehensive basic and advanced patient care, and conducts a broad spectrum of biomedical and health services research. AHCs must include: an allopathic or osteopathic school of medicine; at least one other health professions school or program (such as allied health, dentistry, graduate studies, nursing, pharmacy, public health, and veterinary medicine); and, one or more owned or affiliated teaching hospitals, health systems or other organized health care services.

### **Academic Year**

The year beginning with summer term and ending with spring term. For example, academic year 2012-13 begins with summer term 2012 and ends with spring term 2013.

### **Adjusted Census Day**

Adjusted census day = (gross patient revenue / inpatient revenue) \* census day. See Census Day.

### **Admitted Student**

Student who has been offered admission into an OHSU academic degree or certificate program.

### **AFSCME**

Nearly 40% of OHSU's employees are represented by Local 328 of the American Federation of State, County and Municipal Employees (AFSCME). AFSCME-represented positions range from pharmacists, certified nursing assistants to business data analysts, laboratory animal technicians and administrative assistants.

### **Applied Student**

Student who has submitted an application for admission into an OHSU academic degree or certificate program.

### **Ambulatory Visits**

Medical care including diagnosis, observation, treatment and rehabilitation that is provided on an outpatient basis. Ambulatory care is given to persons who are able to ambulate or walk about. A well-baby visit is considered ambulatory care even though the baby may not yet be walking.

## C

### **Census Day**

The number of days that patients (excluding newborns in the nursery) are hospitalized. Census days are based on a snapshot of patients in bed at midnight.

### **Certificate**

An academic award, distinct from a degree, certifying the satisfactory completion of an academic instructional program or course of study. OHSU awards post-baccalaureate certificates, post-master's certificates, and post-doctoral certificates.

### **Consumer Price Index (CPI)**

The Consumer Price Index (CPI) is a measure of the average change over time in the prices paid by urban consumers for a market basket of consumer goods and services. The CPI and its components may be used to adjust other economic series for price changes and to translate these series into inflation-free dollars.

## D

### **Dental Admission Test (DAT) Score**

Average score of admitted students in a given year on the admission test for dental school, the Dental Admission Test administered by the American Dental Association (ADA).

### **Degree**

An academic title conferred by a university to a student who has successfully completed a specified instructional program of study. OHSU awards associate degrees, bachelor degrees, master's degrees and doctoral degrees.

### **Discharge**

A person who was formally admitted to the hospital for inpatient care in accordance with a physician's order, with the expectation of remaining overnight or longer, and who is discharged under one of the following circumstances: (1) is formally discharged from care of the hospital and leaves the hospital; or (2) has died.

### **Discharge Days**

The total number of days between the admission and discharge dates for each patient (length of stay). The day of admission but not the day of discharge is counted as a discharge day (except for admission and discharge on the same day, which is counted as one discharge day).

## E

### **Education and General Funds**

The portion of the OHSU budget that is devoted to instructional and support services for students and faculty, including managerial and administrative functions needed to provide the services.

## **Ethnic or Racial Categories**

### Students

Ethnic or racial categories are self-identification items in which students choose the categories with which they most closely identify. The ethnic or racial group categories reported for OHSU students are defined by the United States Census Bureau and the Federal Office of Management and Budget (OMB). Those racial categories reported for students are listed on the federal IPEDS reports (effective Fall 2009) as: American Indian/Alaska Native; Asian; Black/African American; Native Hawaiian or Other Pacific Islander; Two or more races; and White (including people of European and Middle Eastern origins). In addition, student ethnicity is categorized as either Hispanic/Latino or Not Hispanic/Latino. Students who decline to respond are listed in the “unknown” category. These ethnic and racial categories do not include foreign students.

### Employees

The ethnic or racial group categories reported for OHSU employees are defined by the United States Department of Education, Census Bureau and the Federal Office of Management and Budget (OMB): The Equal Employment Opportunity Commission of the US Department of Labor (EEO) requires employers to report various information about their employees, in particular, their racial/ethnic categories to prevent discrimination based on race/ethnicity. The 2009 racial categories include: American Indian/Alaska Native; Asian; Black or African American; Native Hawaiian or Other Pacific Islander; Two or more; and White. The 2009 ethnic categories are Hispanic/Latino or Not Hispanic/Latino. These racial and ethnic categories are self-identification data items in which employees choose the categories with which they most closely identify. These categories include employees who are not citizens of the United States, but have permanent residency status or a temporary work permit or visa.

## **Enrollment**

OHSU, like all other higher education institutions, uses several different definitions in counting enrollment. The various definitions serve different purposes: budget preparation, workload evaluation, federal reporting, single-point snapshots, and description of OHSU’s provision of educational services.

### Student Headcount Enrollment

Headcount enrollment represents the number of individual students enrolled in credit courses, regardless of course load. Historical enrollment has generally been expressed in terms of fall headcount. National comparisons of enrollment are most often made on the basis of fall headcount.

## **F**

### **Faculty**

OHSU primary academic appointments reflect FTE and unit-provided funding.

At OHSU, the Faculty comprise three series: OHSU faculty series and ranks are designed to promote consistency of policy and practice for faculty appointments in the schools, other academic units, and free-standing research centers and institutes.

- 1) Professorial Series:
  - Assistant Professor
  - Associate Professor
  - Professor
- 2) Instructional Series:
  - Lecturer
  - Instructor
- 3) Research Series:
  - Research Assistant Professor
  - Research Associate Professor
  - Research Professor

#### Faculty Rank Modifiers:

- A. Adjunct: A prefix to academic rank for qualified individuals who may be employed by OHSU to teach part-time or intermittently, but have professions or employment elsewhere.
- B. Provisional: A suffix to faculty rank of Associate Professor or Professor to denote a faculty appointment pending action by the appropriate promotion and tenure committee.
- C. Visiting: A prefix to faculty rank for individuals who are temporarily appointed to the faculty or who are on leave from another university or college.
- D. Emeritus: An honorary title for a retired faculty member recognizing distinguished past service to OHSU.

Faculty in the Community-based Clinical Series teach OHSU students/trainees in community settings and may receive a stipend for their contributions or volunteer their time. These faculty are called Clinical Series for Community-based Faculty.

- Clinical Assistant Professor
- Clinical Associate Professor
- Clinical Professor

#### **Fellow (Graduate Medical Education)**

An individual who has graduated medical school who is pursuing further specialty training. Generally this individual has completed a residency.

## **G**

#### **Grade Point Average (GPA)**

Average grade based on a pre-defined scale (for example 0 to 4 points, where A=4, B=3, C=2, D=1, F=0). The undergraduate GPA is one factor used in student application and admissions processes.

**Graduation Rate**

Reflects the percentage of an entering cohort of students who complete a degree within a specified length of time. The common national practice used for baccalaureate completion is to report the percentage of the entering students who complete a bachelor's degree within 150% of the published time.

**Graduate Record Examination (GRE)**

The Graduate Record Examinations (GRE) is a standardized test that is an admissions requirement for most graduate schools in the United States. It is created and administered by Educational Testing Service.

**H****Hospital Occupancy Rate**

The number of inpatient hospital beds occupied divided by the average number of hospital beds. Serves as a measure of health facility inpatient use.

**House Officer (Graduate Medical Education)**

Term used to describe all postgraduate trainees (individuals who have graduated medical school). The term includes interns, residents and fellows.

**I****Industry Sponsored Research Agreements**

A contract through which an industry partner funds a research project at OHSU. These projects support the academic, research and/or healthcare missions of OHSU. These do not cover clinical trial agreements or other research projects funded by an industry that involve any intervention with a human subject as part of the project.

**Inpatient**

A patient who is admitted to a hospital or clinic for treatment that requires at least one overnight stay.

**Intern (Graduate Medical Education)**

An individual who has graduated medical school and is in their first year of a postgraduate training program.

**Invention Disclosures**

Disclosure forms received by OHSU's office of Technology Transfer & Business Development describing potential new intellectual property and/or inventions.

**IPEDS**

Integrated Postsecondary Education Data System, part of a series of reports collected annually by the National Center for Educational Statistics (NCES).

## L

### **Length of Stay (LOS)**

The total number of 24-hour days that a patient occupies a hospital bed.

### **License/Option Agreements**

A LICENSE AGREEMENT formalizes the transfer of intellectual property between two parties, where the owner of the intellectual property (licensor) permits the other party (licensee) to share the rights to use the intellectual property. An OPTION AGREEMENT grants the potential licensee a time period during which it may evaluate the intellectual property and negotiate the terms of a LICENSE AGREEMENT. An OPTION AGREEMENT is not constituted by an Option clause in a research agreement that grants rights to future inventions, until an actual invention has occurred that is subject to that Option.

## M

### **Medical College Admission Test (MCAT)**

The Medical College Admission Test (MCAT) is required of all applicants to US Medical Schools, administered by the American Association of Medical Colleges.

## N

### **Newborn**

An infant, born alive in the hospital.

### **Non-resident**

The fee status category of students who are assessed nonresident tuition.

### **Non-resident Alien**

A student who is neither a U.S. citizen nor a resident alien (i.e., permanent resident) and holds a student visa.

## O

### **Observation**

Observation Patients are patients entering the hospital through the Emergency Department or as a direct admission or transfer who need additional diagnostic testing, symptom management, or short term treatment while a decision is being made about full inpatient admission. Evaluation and treatment is expected to be completed and the patient discharged in fewer than two midnights. Observation patients can be treated in any hospital unit. Observation is not for overnight recovery following an ambulatory surgery or procedure.

## **ONA**

OHSU members of the Association of University Registered Nurses (AURN) of the Oregon Nurses Association (ONA) comprise about 15% of OHSU's employees. Registered nurses providing patient care in the hospital and clinic settings of OHSU are ONA-represented.

## **Oregon Opportunity Grant**

The Oregon Opportunity Grant is a state-funded, need-based grant available to undergraduates that attend an eligible Oregon postsecondary institution and meet the income eligibility requirements. OHSU's undergraduate Nursing and Radiation Therapy programs are eligible programs.

## **Outpatient**

A patient who is admitted to a hospital or clinic for treatment that does not require an overnight stay.

## **Outpatient Visits**

Includes emergency room visits, outpatient clinic visits, referred ancillary service visits, home health care contacts, and day care days, where the outpatient is treated and released the same day. Also included are outpatient ambulatory surgery visits, renal dialysis visits, observation care visits, psychiatric visits, chemical dependency visits, hospice outpatient visits, and adult day health care visits.

## **P**

### **Pell Grant**

The Pell Grant is a federal, need-based grant available to undergraduates that attend a post-secondary institution and meet the income eligibility requirements. OHSU's undergraduate Nursing and Radiation Therapy programs are eligible programs.

## **R**

### **Resident**

The fee status category of students who are assessed resident tuition.

### **Resident (Graduate Medical Education)**

An individual who has graduated medical school and is in a postgraduate training program.

## **S**

### **Sponsored Research Dollars**

Includes sponsored research, teaching/training grants, library grants and similar support.

# T

## **Tuition**

The mandatory charge for instruction assessed students for enrolling in an OHSU academic program.

# U

## **Underrepresented Minority (URM)**

Any ethnic or racial minority group whose representation is disproportionately less in a given context relative to their numbers in the general population constitutes an underrepresented minority.

For students, OHSU defines underrepresented minorities based on minorities underrepresented in medicine, dentistry and nursing professions. The following students are considered an underrepresented minority when self-identifying race or ethnicity as follows:

- American Indian or Alaska Native
- Underrepresented Asian (Korean, Vietnamese)
- Black or African American
- Native Hawaiian or Other Pacific Islander
- Two or more races (with at least one race classified as URM)
- Hispanic or Latino Ethnicity
