Oregon Health & Science University

2012 FACT BOOK

February 2013

This publication was prepared by the OHSU Library using a variety of data sources maintained by other offices in the University. An electronic version of this document is located at: www.ohsu.edu/factbook. General queries should be sent to factbook@ohsu.edu.

The purpose of this document is to provide data about academic programs, students, faculty and staff, and other basic information in a user-friendly format for the OHSU community and public.

Update to the 2012 Fact Book Online

Thank you for downloading the 2012 Fact Book. The authors and contributors would like to let you know that there are small errors that can be found in the print and electronic version of the 2012 Fact Book. For up to date versions of individual pages, please contact Jackie Wirz at wirzj@ohsu.edu

We are pleased to announce that the 2013 Fact Book will be produced by the Office of the Registrar. For questions or comments on the 2013 edition, please contact Michelle Webb at webmi@ohsu.edu

Acknowledgements

Our goal is to make information about Oregon Health & Science University available to students, faculty, staff, and citizens of Oregon, and to do so in an easy-to-use format. This fourth edition of the Fact Book contains a wide variety of data on OHSU's students, faculty and staff, hospital volumes, budget and finances, research productivity and development activities. The data source, date and explanatory notes are provided for each table.

OHSU Organization

OHSU Mission

Oregon Health & Science University is the state's only comprehensive public academic health center. Its fundamental purpose is to improve the health and well-being of people in Oregon and beyond. A ten-member Board of Directors nominated by the Governor and confirmed by the Oregon Senate governs the university.

As part of its multifaceted mission, OHSU strives for excellence in education, research and scholarship, clinical practice and community service. Through its dynamic interdisciplinary environment, OHSU stimulates the spirit of inquiry, initiative, and cooperation among students, faculty and staff.

Setting the example for integrity, compassion and leadership, OHSU strives to:

- Educate tomorrow's health professionals, scientists, engineers and managers in top-tier programs that prepare them for a lifetime of learning, leadership and contribution.
- Explore new basic, clinical and applied research frontiers in health and biomedical sciences, environmental and biomedical engineering and information sciences and translate these discoveries, wherever possible, into applications in the health and commercial sectors.
- Deliver excellence in healthcare, emphasizing the creation and implementation of new knowledge and cutting-edge technologies.
- Lead and advocate for programs that improve health for all Oregonians, and extend OHSU's education, research and health care missions through community service, partnerships and outreach.

OHSU Goals

OHSU will partner to make Oregon a national leader in health and science innovation for the purpose of improving the health and well-being of all Oregonians. OHSU Vision 2020 identifies six strategic goals.

- Be a great organization, diverse in people and ideas.
- Develop and retain a faculty that will collaborate to drive excellence and innovation across OHSU.
- Join others in developing policy and care delivery solutions that improve access to high-quality healthcare for all, especially Oregonians.
- Help meet Oregon's workforce needs in the health and science professions through innovative strategies such as regionalization, academic partnerships, distance learning and interdisciplinary approaches.
- Align OHSU enterprises to support sustainable innovation.
- Build financial wherewithal for the long-term advancement of all our missions.

Core Themes

OHSU's Core Themes used to assess mission fulfillment for regional institutional accreditation by the Northwest Commission on Colleges and Universities are:

- Learning Environment
- Interprofessional Education
- Clinical and Translational Research
- Health Systems and Health Policy Leadership

Accreditation

Oregon Health & Science University has received continuous regional accreditation by the Northwest Commission on Colleges and Universities (NWCCU) since 1980. OHSU is authorized to offer associate, baccalaureate, masters, professional practice doctoral and research doctoral degrees as well as certificates. The last evaluator site visit occurred in May 2012. The next visit is scheduled for May 2015. Institutional accreditation has two fundamental purposes of quality assurance and institutional and program improvement.

Oregon Health and Science University is established as a public corporation and shall exercise and carry out all powers, rights and privileges that are expressly conferred upon it, are implied by law or are incident to such powers. The university shall be a governmental entity performing government functions and exercising governmental powers. The university shall be an independent corporation with statewide purposes and missions and without territorial boundaries. The university shall be a governmental entity but shall not be considered a unit of local or municipal government or state agency for purposes of state statutes or constitutional provisions.

ORS 353.020 [1995 c. 162 §2; 1999 c.291 §2; 2001 c. 123 §]

OHSU Leadership

Board of Directors

CHAIRMAN

Charles Wilhoite

Principal and Director, Willamette Management Associates, Portland office

Charles Wilhoite joined the OHSU Board in January 2004. He is a specialist in financial consulting, economic analysis and business valuation services. His practice areas focus on business valuations, gift and estate tax planning, economic damages estimation, financial consulting, intellectual property appraisal and dispute resolution services, with an emphasis on the healthcare industry. Prior to joining Willamette he was with the firm KPMG.

VICE CHAIRMAN

Jay Waldron

Portland Attorney

Jay Waldron joined the OHSU Board in October 2007. He is an attorney practicing in the areas of environmental and energy law with Schwabe, Williamson and Wyatt, a regional, multi-service law firm. Waldron recently completed six years as president of the Port of Portland Commission. He also has been the chairman of the American Bar Association's Tort Trial and Insurance Practice Section's environmental law committee.

Román Hernández

Portland Attorney

Román Hernández joined the OHSU Board in June 2006. He is an attorney with Schwabe, Williamson and Wyatt, a regional, multi-service law firm. Hernandez is the immediate past president of the board of directors of the Portland Hispanic Chamber and currently serves on the chamber's board. He also serves as regional president for the Hispanic National Bar Association in the Pacific Northwest region.

Poorav Patel

M.D. Candidate

Poorav Patel received undergraduate degrees in Bioengineering and The Study of Religion from the University of California San Diego and a master's degree in Genetic Epidemiology from Johns Hopkins Bloomberg School of Public Health. A second-year M.D. student in the class of 2015, Patel also currently serves as a Dean's Advisor in the OHSU School of Medicine.

Joe Robertson

President, OHSU

Ex Officio

Joe Robertson, appointed OHSU's president in 2006, has led numerous initiatives aimed at providing improved health care access to Oregonians. Other professional interests include the development of healthcare delivery systems and the application of cost accounting principles to medical practice, with the goal of reducing expenses for care while enhancing patient outcomes. He began at OHSU as a resident in 1979 and held numerous posts, including director of the Casey Eye Institute, and most recently, dean of the School of Medicine. Robertson is an acclaimed surgeon and researcher who has participated in numerous clinical trials.

Board of Directors (continued)

Maria Pope

Chief Financial Officer, Portland General Electric

Maria Pope joined the OHSU Board in March 2010 and also serves on the OHSU Foundation Board of Trustees. Prior to this appointment, she served on PGE's Board of Directors. She was previously the vice president and chief financial officer at Mentor Graphics. She also has served as vice president and general manager at Pope & Talbot, Inc., as well as in management positions at Levi Strauss & Co., and at Morgan Stanley. Pope currently serves on the boards of Premera Blue Cross, where she is the lead director, chairing the executive committee and serving on the compensation committee; and TimberWest Forest Corp., where she chairs the audit committee.

MardiLyn Saathof

Chief Governance Officer and Corporate Secretary for NW Natural Gas Company

MardiLyn Saathof joined the OHSU Board in October 2009. In addition to her current position at NW Natural, she has worked for Tektronix, Inc. as Assistant General Counsel and Chief Compliance Officer. She also served as General Counsel to Oregon's Governor Kulongoski and was his Business and Economic Development Advisor. Saathoff has played a variety of legal roles in her career, including as a supervising attorney for the Oregon Department of Justice, Business Transactions Section. Saathoff began her legal career at Stoel Rives, LLP, where she focused her practice in corporate, securities and finance.

David V. Yaden

Retired executive director of policy and planning at Tri-Met

David V. Yaden joined the OHSU Board in October 2009. He also serves on the Oregon State Board of Higher Education. Now retired, he has more than 35 years experience in public affairs in Oregon. In addition to chairing the Sustainability Initiative Committee of the State Board of Higher Education, he is on the board and has been chair of Sightline Institute, a regional sustainability think tank based in Seattle. He has also been an independent public policy consultant and international environmental advisor; served as director of the Oregon Department of Energy; and worked in corporate planning in the private sector.

Ken Allen

Executive Director, AFSCME Council 75

Ken Allen joined the OHSU Board in December 2012. He has been the Oregon AFSCME Executive Director since 1995, and has 30 years of experience in the labor movement. For fifteen years he has been at Council 75 as a staff representative, Assistant Executive Director, chief negotiator and Executive Director. In 2004, he was elected as an AFSCME International Vice President. Currently Allen also serves as an Oregon AFL-CIO Executive Board Vice President and is a member of the board of Inside Oregon Enterprises. He is a former Port of Portland Commissioner, appointed to that post by Gov. Ted Kulongoski.

Amy Tykeson

President and CEO, BendBroadband

Amy Tykeson joined the OHSU Board in December 2012. With over 30 years of experience in the cable industry and as President and CEO of BendBroadband, she and her team have been a leader in advancement and innovation in the cable industry sector. Notably, the company was selected to receive BTOP funds to expand middle mile broadband connectivity to underserved areas of Central Oregon for health, education and economic development. Tykeson chairs the Small & Rural Operators' Council for the NCTA Board of Directors, serves on the Executive Committee for CableLabs; and is a board member of CSPAN, Oregon Telecommunications Associate Board, Economic Development for Central Oregon, Associated Oregon Industries and the Oregon Chapter of the Nature Conservancy.

Notes: Data represent degrees and certificates awarded in the Summer through Spring of each academic year. These totals may differ from data included in IPEDS reporting, as IPEDS requires reporting based on specific dates (July 1 through June 30), which do not correspond to the academic year based on program needs. Medicine totals include joint degrees awarded with Oregon Institute of Technology and Oregon State University. School of Science & Engineering merged with the School of Medicine in 2008 and degrees awarded have been included in the School of Medicine count beginning in 2008-09.

The National Average Data represent those students who passed the national registration exam on their 1st attempt between July 1-Dec 31 of each year.

The OHSU Annual Data reflect the percentage of graduates who took the exam in that year - not necessarily the cohort who graduated that year. For example, the 2010 total number includes 2010 graduates, but may also include graduates from the previous year(s) who deferred taking the exam.

Human Nutrition-Combined Dietetic Internship-Master's Program Graduates

OHSU Federal Pell Grant Activity - Number of Recipients 2002-03 through 2011-12

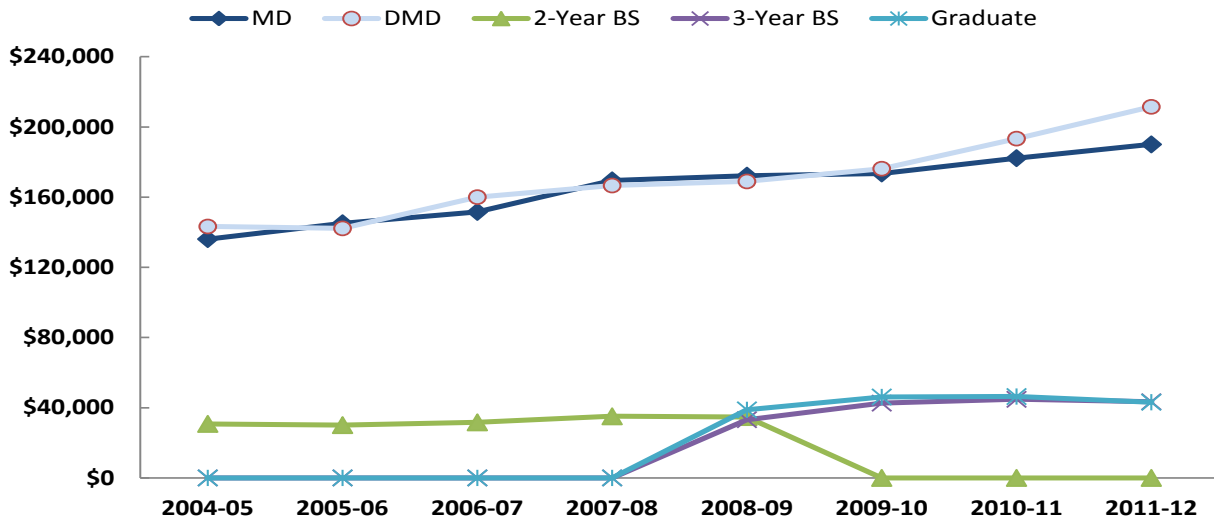

Average Student Indebtedness at Graduation by Program 2004-05 through 2011-12

Graduation Year	MD	DMD	2-Year BS	Nursing 3-Year BS	Graduate
2004-05	\$136,107	\$143,273	\$30,789	-	-
2005-06	\$145,132	\$142,194	\$30,083	-	-
2006-07	\$151,570	\$160,002	\$31,658	-	-
2007-08	\$169,565	\$166,617	\$35,097	-	-
2008-09	\$172,243	\$168,945	\$34,679	\$33,191	\$38,777
2009-10	\$173,498	\$176,210	n/a	\$42,613	\$46,112
2010-11	\$182,226	\$193,351	n/a	\$44,777	\$46,362
2011-12	\$190,063	\$211,467	n/a	\$43,396	\$43,130

Note: Combination of both resident and non-resident average indebtedness. Averages exclude students with no debt. Averages are less than the above amounts when students with no debt are included in the calculation. Prior to 2009-10 the average indebtedness for Nursing included Parent Plus loans. *2008-09 was the 1st year for graduates of the OCNE and Accelerated Baccalaureate programs. 2009-10 OCNE average indebtedness increased due to more students completing the entire 3-year program at OHSU versus transitioning from the partner OCNE community colleges.

2012	155,128	270,474	61,094	30,079	2,332	735,279	46,399	522

Note: "Census Days" is based on the posting date. "Adjusted Census Day" = (gross patient revenue / inpatient revenue) * census day. "Total Hospital Patients" includes patient count, day patients, and admits. "Total Surgical Cases" includes inpatient and outpatient surgeries. "Births" includes normal newborns and neonatology births. "Ambulatory Visits" counts, as of November 2005, include all visits that result in a charge; when visits and procedures happen on the same day, only one visit is counted. The "ED Visits" number reflects the number of people who come to the ED and register (ED outpatient, ED admitted to inpatient and ED observation).

KEY PERFORMANCE MEASURES

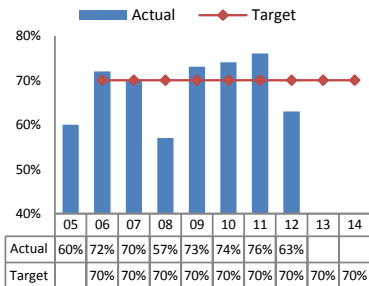

Dashboard of Key Performance Measures for Oregon Legislature 69

Dashboard of Key Performance Measures for Oregon Legislature

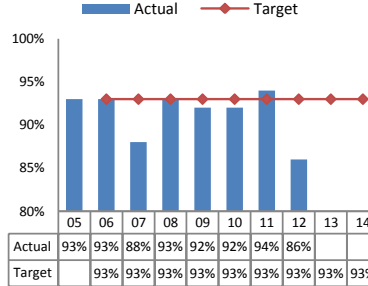

1 DMD Access - Percent of first-year dental school positions filled by Oregon residents.

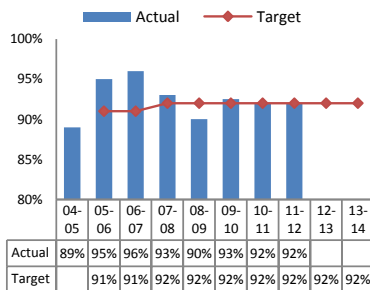

2 MD Access - Percent of first-year medical school positions filled by Oregon residents.

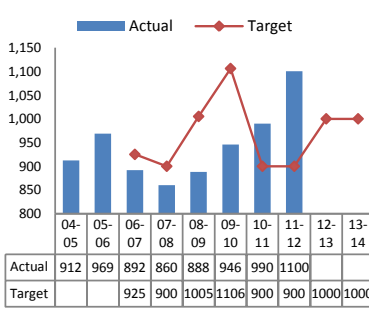

3 Nursing Access - Percent of first-year nursing positions filled by Oregon residents.

4 Nursing Completion - Percent of nursing student cohorts completing baccalaureates.

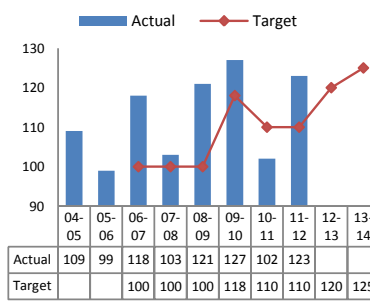

5 Degrees & Certificates - Total degrees and certificates awarded.

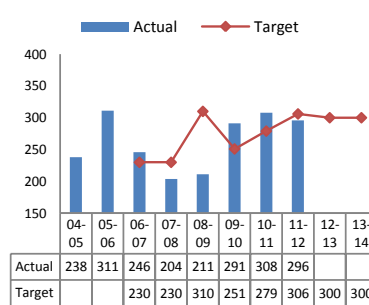

6 Dentist Workforce - Total DMD Degrees Awarded.

7 Physician Workforce - Total MD degrees Awarded.

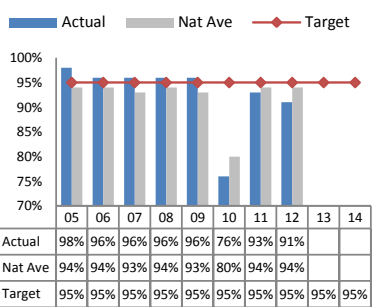

8 Nursing Workforce - Total bachelor's degrees awarded in Nursing.

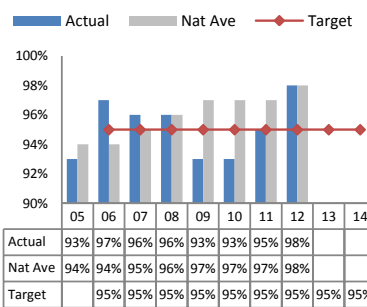

9 Nursing Faculty - Total graduate degrees and certificates awarded in nursing.

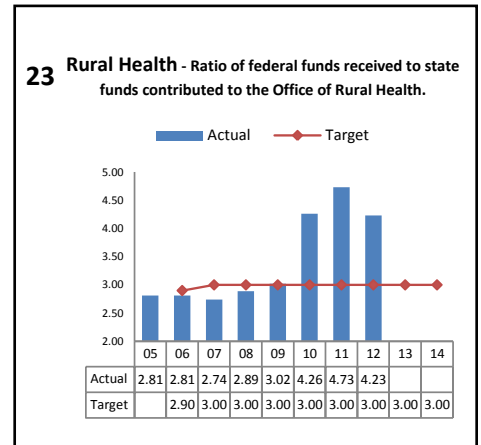

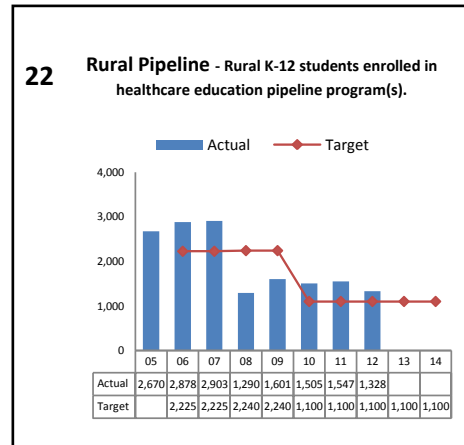

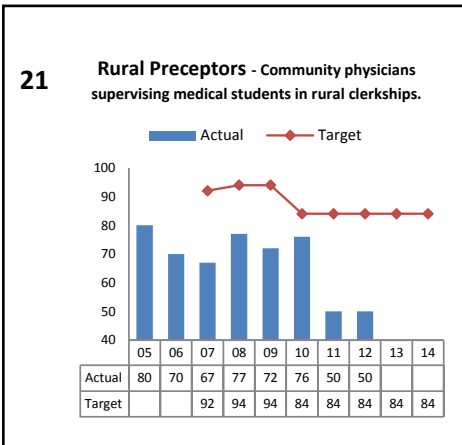

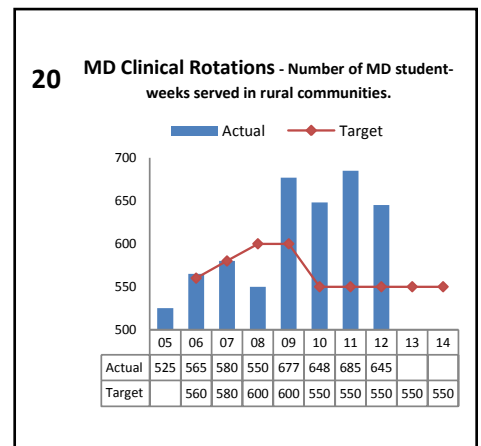

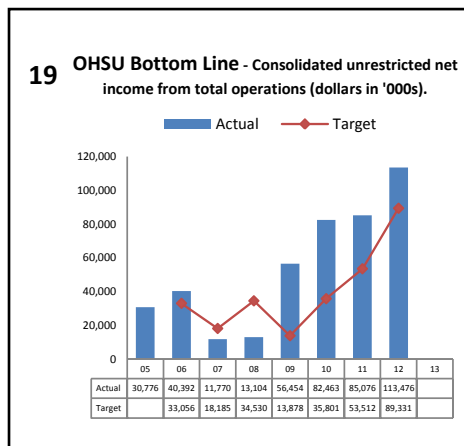

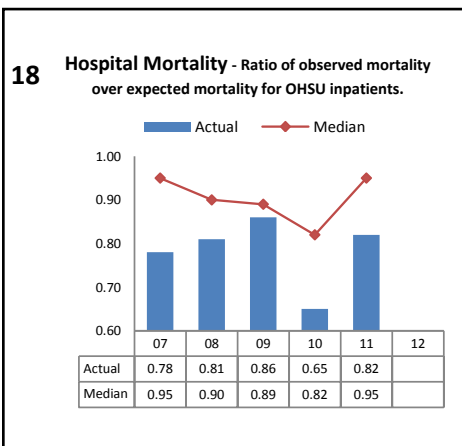

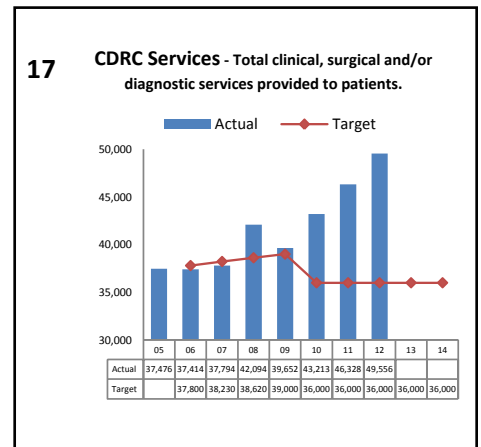

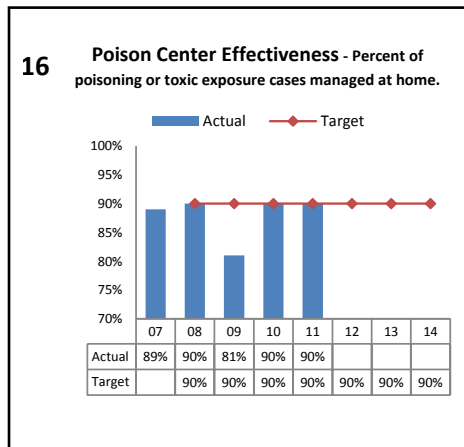

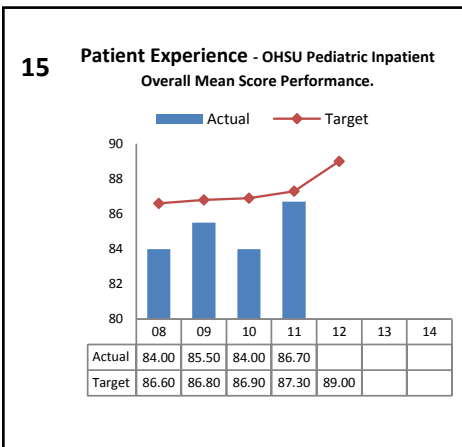

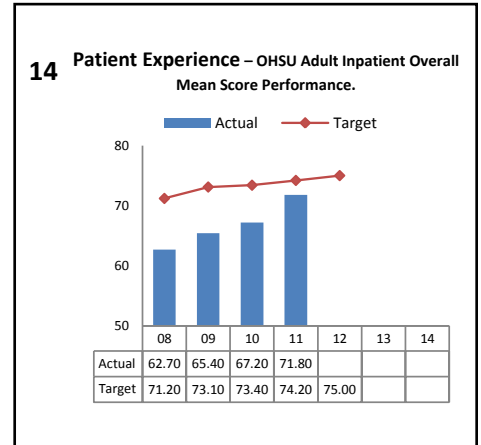

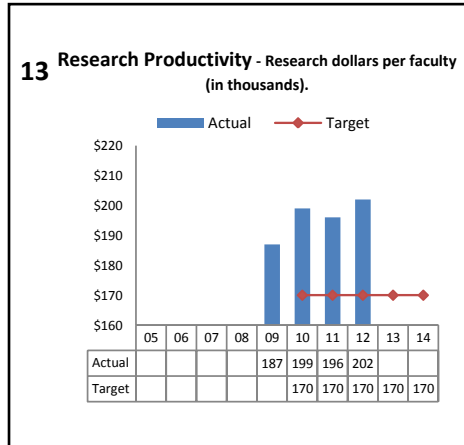

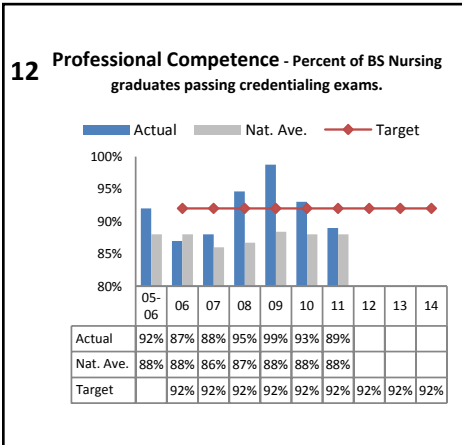

10 Professional Competence - Percent of DMD students passing senior-level credentialing exams.

11 Professional Competence - Percent of MD students passing senior-level credentialing exams.

GLOSSARY

Glossary 107

OREGON
HEALTH
& SCIENCE
UNIVERSITY

Glossary

A

Academic health center

Provides the classification of OHSU as an accredited, degree-granting institution of higher education that educates a wide variety of health care professionals, offers comprehensive basic and advanced patient care, and conducts a broad spectrum of biomedical and health services research. AHCs must include: an allopathic or osteopathic school of medicine; at least one other health professions school or program (such as allied health, dentistry, graduate studies, nursing, pharmacy, public health, and veterinary medicine); and, one or more owned or affiliated teaching hospitals, health systems or other organized health care services.

Academic year

The year beginning with summer term and ending with spring term. For example, academic year 2008-09 begins with summer term 2008 and ends with spring term 2009.

Adjunct faculty

Generally staff members within the University or professionals in the local community whose areas of expertise are insufficiently represented on the faculty; they ordinarily hold the terminal degree in the field. Adjunct faculty appointments add the experience of professionals to enhance academic instruction.

Adjusted Census Day

Adjusted census day = (gross patient revenue / inpatient revenue) * census day. See Census Day.

Admitted student

Student admitted to a degree or certificate program who has committed to enroll. The School of Nursing refers to this as an “offer”.

Applied/application

Student applied for admission into an OHSU program of study.

Ambulatory Visits

Medical care including diagnosis, observation, treatment and rehabilitation that is provided on an outpatient basis. Ambulatory care is given to persons who are able to ambulate or walk about. A well-baby visit is considered ambulatory care even though the baby may not yet be walking.

C

Census Day

The number of days that patients (excluding newborns in the nursery) are hospitalized. Census days are based on the posting date.

Certificate

A formal award, distinct from a degree, certifying the satisfactory completion of an instructional program or course of study. OHSU awards post-baccalaureate certificates, post-master's certificates, first professional certificates, and post-doctoral certificates

Completer

Student who completed a course of study and received a degree or certificate from OHSU.

Consumer Price Index (CPI)

The Consumer Price Index (CPI) is a measure of the average change over time in the prices paid by urban consumers for a market basket of consumer goods and services. The CPI and its components are used to adjust other economic series for price changes and to translate these series into inflation-free dollars. Examples of financial series adjusted by the CPI in the OHSU Fact Book include Sponsored Research Awards, Student Tuition and State Appropriations. The Portland Consumer Price Index is used to adjust financial data. Effective in 1998, the geographic area covered by the Portland-Vancouver CPI was expanded to include the Salem Metropolitan Statistical Area (MSA).

D

DAT score

Average score of admitted students in a given year on the admission test for dental school, the Dental Admission Test administered by the American Dental Association (ADA).

Degree

One of the status levels conferred by universities as the result of successfully completing a program of study. OHSU has three undergraduate programs: Nursing, Radiation Therapy and Clinical Laboratory Science (a joint degree with Oregon Institute of Technology). The degree for all of these programs is a Bachelor of Science (BS). OHSU also awards several one- to three -year master's degree programs that lead either to a Master of Science (MS) or a Master in several specific disciplines. In addition, OHSU awards several doctoral professional practice degrees including the MD, DMD, PhD, DNP and PharmD (a joint degree with Oregon State University). Each program requires an appropriate culminating project depending on the focus of the program of study as research-oriented or professional practice. The research doctoral degree (the PhD) requires a comprehensive examination in one or more fields, an original research project, perhaps some teaching experience, and then the writing of a dissertation.

Discharge

A person who was formally admitted to a hospital as an inpatient for observation, diagnosis, or treatment, with the expectation of remaining overnight or longer, and who is discharged under one of the following circumstances: (1) is formally discharged from care of the hospital and leaves the hospital; (2) transfers within the hospital from one type of care, or (3) has died.

Discharge Days

The total number of days between the admission and discharge dates for each patient (length of stay). The day of admission but not the day of discharge is counted as a discharge day (except for admission and discharge on the same day, which is counted as one discharge day).

Discipline (CIP)

The academic discipline or program as reflected in the Classification of Instructional Programs published by the National Center for Educational Statistics, for which a "CIP" code is defined.

E

Education and General Funds

The portion of the OHSU budget that is devoted to instructional and support services for students and faculty, including managerial and administrative functions needed to provide the services.

Educational source

The college or university last attended prior to entering OHSU.

Ethnic or Racial groupStudents

Ethnic or racial category with which a person most identifies. The ethnic or racial group categories reported for OHSU students are defined by the United States Census Bureau and the Federal Office of Management and Budget (OMB). Those racial categories reported for students are listed on the federal IPEDS reports (effective Fall 2009) as: American Indian/ Alaska Native; Asian; Black/African American; Native Hawaiian or Other Pacific Islander; Two or more races; and White (including people of European and Middle Eastern origins). In addition, student ethnicity is categorized as either Hispanic/Latino or Not Hispanic/Latino. Students who decline to respond are listed in the "unknown" category. These ethnic and racial categories do not include foreign students, who are reported separately under "international" or "nonresident alien."

Employees

The ethnic or racial group categories reported for OHSU employees are defined by the United States Department of Education, Census Bureau and the Federal Office of Management and Budget (OMB): The Equal Employment Opportunity Commission of the US Department of Labor (EEO) requires employers to report various information about their employees, in particular,

their racial/ethnic categories to prevent discrimination based on race/ethnicity. The 2009 racial categories include: American Indian/ Alaska Native; Asian; Black or African American; Native Hawaiian or Other Pacific Islander; Two or more; and White. The 2009 ethnic categories are Hispanic/Latino or Not Hispanic/Latino. These racial and ethnic categories are self-identification data items in which employees choose the category with which they most closely identify. These categories include employees who are not citizens of the United States, but have permanent residency status or a temporary work permit or visa.

Enrollment

The Oregon Health & Science University (OHSU), like all other higher education institutions, uses several different definitions in counting enrollment. The various definitions serve different purposes: budget preparation, workload evaluation, federal reporting, single-point snapshots, and description of OHSU's provision of educational services.

Headcount enrollment

Headcount enrollment represents the number of individual students enrolled in credit courses, regardless of course load. However, the majority of OHSU's students tend to be enrolled full-time and working towards a degree or certificate. Only a small proportion of students are enrolled part-time in a degree program or in non-degree programs designed for working professionals.

Historical enrollment has generally been expressed in terms of fall headcount. National comparisons of enrollment are most often made on the basis of fall headcount.

In 2002 through 2004, OHSU eliminated several programs offered at the undergraduate level to focus its mission on graduate and professional academic programs. In 2002, OHSU eliminated the Dental Hygiene undergraduate program and in 2003-04 transferred two undergraduate programs in Clinical Laboratory Science and Paramedic Education to become joint degree programs with the Oregon Institute of Technology (OIT). OHSU does not include enrollment in these programs, but does count the undergraduate degrees awarded jointly by OIT and OHSU.

Student Full-time Equivalent (FTE)

The student full-time equivalent (FTE) translates credit into enrollment, showing how many students it would take to produce the total credit-bearing activity of OHSU if each student took exactly a fulltime load. Calculation of the student full-time equivalent varies depending on the level and program of the student. At OHSU, undergraduate FTE is calculated as follows: total term credit hours divided by 15. Graduate (master's level) FTE is calculated as follows: total term credit hours divided by 12. PhD FTE is calculated as follows: total term credit hours divided by 9. The OHSU FTE for professional students is the actual professional student headcount.

F

Faculty

Appointment to the University faculty is comprised of a title that includes a series, rank and modifier.

Series reflects the primary assignment, focus and expectations of the faculty member and unit: professor, research professor, clinical professor, affiliate professor, scientist, staff scientist, and research assistant scientist.

Rank conferred on faculty in the academic, research, clinical and affiliate professor series includes Lecturer, Instructor, Senior Instructor, Assistant Professor, Associate Professor, and Professor (for most junior to senior ranks).

Faculty rank modifiers include the prefix “adjunct” or “visiting,” the suffix “provisional or “emeritus.” “Adjunct” designates a faculty with less than 0.5 FTE or a temporary appointment. “Visiting” designates a temporary appointment to the faculty, usually a faculty at another university for a designated time period. “Provisional” reflects a new faculty appointment with senior rank (professor or associate professor) pending approval by the school’s Promotion and Tenure Committee. “Emeritus Professor” is an honorary title for a retired faculty member recognizing distinguished past service to OHSU. “Affiliate Professor” designates volunteer or community faculty who are not compensated by OHSU. OHSU faculty data on gender, race/ethnicity and tenure exclude Affiliate Faculty and Emeritus Faculty.

Fee category

Enrollment category reflecting the type of fee assessed (e.g., resident, nonresident).

G

Grade point average (GPA)

Average grade based on a pre-defined scale (for example 0 to 4 points, where A=4, B=3, C=2, D=1, F=0). The undergraduate GPA is one factor used in student application and admissions processes. The undergraduate GPA may be reported as an overall GPA or a GPA for science courses, depending on program requirements.

Graduation rate

Reflects the percentage of an entering cohort of students who complete a degree within a specified length of time. The common national practice used for baccalaureate completion is to report the percentage of the entering freshmen who complete a bachelor’s degree within six years, or 150% of the published time.

All nursing students transfer from another four-year university or community college into OHSU’s baccalaureate-level program. Therefore, the pathways affect what is considered to be 150% of the published time. For OHSU medical and dental students, the published time is 4 years and 150% of the published time is 6 years.

H

Hospital Occupancy Rate

The number of inpatient hospital beds occupied divided by the average number of hospital beds. Serves as a measure of health facility inpatient use.

I

Inpatient

A patient who is admitted to a hospital or clinic for treatment that requires at least one overnight stay.

IPEDS

Integrated Postsecondary Education Data System, part of a series of reports collected annually by the National Center for Educational Statistics (NCES). IPEDS collects data on postsecondary education in the United States in seven areas: institutional characteristics, institutional prices, enrollment, student financial aid, degrees and certificates conferred, student persistence and success, and institutional human and fiscal resources.

Rule for Race Category Reporting Rollup

Though students have an opportunity to choose from thirteen, different races, OHSU reports students' race based on the IPEDS definitions. Those racial categories reported for students are listed on the federal IPEDS reports (effective Fall 2009) as: American Indian/Alaska Native; Asian; Black/African American; Native Hawaiian or Other Pacific Islander; Two or more races; and White (including people of European and Middle Eastern origins). The table below defines the rule, according to IPEDS, for how race categories are rolled up into five categories for Federal reporting purposes. If a student self-identifies as more than one race, they are reported as "Two or more races".

If Student Chooses:	Then Report As:
American Indian or Alaska Native	American Indian or Alaska Native
Asian, Other	Asian
Chinese	Asian
Filipino	Asian
Japanese	Asian
Korean	Asian
Indian	Asian
Vietnamese	Asian
Black or African American	Black or African American
Native Hawaiian or Other Pacific Islander	Native Hawaiian or Other Pacific Islander
Middle Eastern	White
Eastern European	White
White, Other	White

L

Length of Stay (LOS)

The total number of 24-hour days that a patient occupies a hospital bed.

N

Newborn

An infant, born alive in the hospital.

Nonresident

The fee status category of students who are assessed nonresident tuition.

Nonresident alien

A student who is neither a U.S. citizen nor a resident alien (i.e., permanent resident) and holds a student visa. International student is often used interchangeably.

O

Outpatient

A patient who is admitted to a hospital or clinic for treatment that does not require an overnight stay.

Outpatient Visits

Includes emergency room visits, outpatient clinic visits, referred ancillary service visits, home health care contacts, and day care days, where the outpatient is treated and released the same day. Also included are outpatient ambulatory surgery visits, renal dialysis visits, observation care visits, psychiatric visits, chemical dependency visits, hospice outpatient visits, and adult day health care visits.

R

Resident

The fee status category of students who are assessed resident tuition.

S

Sponsored research dollars

Includes sponsored research, teaching/training grants, library grants and similar support.

T

Tuition

The mandatory charge for instruction assessed students for enrolling in OHSU. Factors taken into account in setting tuition include program cost, enrollment, market and residency status. In addition to tuition, various fees are assessed to all students (i.e. health service fee) but others are program specific (i.e. hospital pagers).

U

Underrepresented Minority (URM)

Any ethnic or racial minority group whose representation is disproportionately less in a given context relative to their numbers in the general population constitutes an underrepresented minority. OHSU is in the process of clarifying the institutional definition of underrepresented minority, but at the time of publication the following definition was being used.

OHSU defines underrepresented minorities based on minorities underrepresented in medicine, dentistry and nursing professions relative to their numbers in Oregon's general population. The following students are considered an underrepresented minority when self-identifying race/ethnicity as follows:

- American Indian or Alaska Native,
- Underrepresented Asian (Korean, Vietnamese, Hmong, Laotian or Cambodian)
- Black or African American,
- Hispanic or Latino (ethnicity, not reported with a selected race)
- Native Hawaiian or Other Pacific Islander,
- Underrepresented two or more races (*two URMs listed above, or a URM with White, but not Hispanic or Latino*)
