Searching exercise #1 worksheet: Developing a searchable question

Due Date: Submit your completed worksheet to LabSpot by April 9, 2021

Name:

1. What is the question you chose?

2. Enter the more searchable question you developed:

3. What key changes do you think made this a more searchable question?

OPTIONAL - If you have your real Scholarly Projects research question, please submit that as well, and we can reflect with you on the searchability of that question.
