Grow, don't shrink.

Nuclear normality kills!

ALIENATING high technology -
cold, logical, death dealing
Nukes, Napalm, electroshock.

Crackers, bananas, nuts -
Nuclear phobics united,
peaceful, swift, spiritual.

Soldiers with fingers on nuclear triggers
ARE REGULARLY TESTED FOR "sanity!"

Sanity in this case is defined
as willingness to calmly obey ORDERS.

These ORDERS might include

Tree talkers, please,
help prevent
